

Dear Hiring Team,

I am writing to express my interest in the Senior Liaison Advisor EU - Global Partnerships and Resource Mobilization position at DanChurchAid. My work focuses on EU project design, resource mobilization, and cross-border partnership development across Europe, Italy, and the Western Balkans.

As a former UNOPS Staff Member and senior international consultant based in Tirana, I have led multi-country project design and managed relations with institutional stakeholders and donors. My experience includes founding and directing "Nei Suoni dei Luoghi," an eight-country cross-border initiative requiring consortium building, institutional alignment, and project management.

My experience aligns with DCA's focus on securing EU funding, establishing strategic consortia, and advancing high-level engagement with European institutions, including DG INTPA and DG ECHO. Details regarding my project portfolio and background are available at the following links:
